

Energetic Lighting's E2WR series LED surface mount wraps showcase a soft fixture form factor while delivering up to 4356 lumens in their 4-ft length, while drawing only 40 watts of power. These versatile lights can be used for general room lighting, or as a functional work area lights with an all white or silver accent appearance. Installation is quick and simple when mounting into standard ceiling junction boxes. Constructed with a durable steel housing body and LED lifetime rating of at least 50,000 hours, these rugged wrap lights are designed for many years of reliable operation.

Features

- Different appearance options
- Modern and efficient design
- Reduced glare translucent diffusers
- Suitable for damp location use
- 0-10V dimming on E2WR model

Applications

- Architectural decor
- Overhead task lighting
- Ambient room lighting
- General lighting
