

For the truly classic bulb look, you can't go wrong with our LED filament bulbs! On or off, these bulbs give the guise of classic traditional incandescent bulbs. Upgrade to LED bulbs without affecting your classic atmosphere and room ambiance. These filament bulbs not only look great but won't miss a beat with performance; they have no problem delivering the light output needed to give off sufficient ambient lighting or dim it down to create the mood desired. Available with clear transparent glass or in a vintage tinted glass.

Features

- No UV or IR radiation
- Elegant and efficient design
- Mercury-free construction
- Uniform illumination light profile
- Dimmable down to 10%

Applications

- General lighting
- Damp Location Installation
- Ambient lighting
